Under Florida law, an equine activity sponsor or equine professional is not liable for an injury to, or the death of, a participant in equine activities resulting from the inherent risks of equine activities.

FL ST § 773.01 - 773.05

I hereby acknowledge that I have read the above warning. I agree to this Waiver and Liability Release. I agree, without any limitation or condition, to hold Equinox Equestrian Center (also known as EEC, LLC) its owners, staff and employees, as well as any organizers, judges, officials or volunteers assisting at clinics, shows or lessons hosted by EEC, harmless from any and all liability, loss, claims or actions, causes of action, judgements or demands of any nature whatsoever. Further, I understand that all equine sports, including driving and this competition, and any proximity to equines, involve inherent risks that may include, but are not limited to, serious injury, and even death. By participating I do so voluntarily and expressly assume any and all risks of injury to me or my equines, or loss of animals or equipment.

I agree to indemnify and hold harmless EEC, its owner, employees and staff, as well as organizers, coaches, clinicians, volunteers, competition judges and officials, volunteers and assistants from any and all claims for loss or injury to myself or my horse(s) that may occur during or in conjunction with this competition or event.

General Photo Release:

I hereby **agree** / **do not agree** that EEC may use or assign any images of my horse or myself, in any format, taken at this event, with or without including my name by the facility or by any services approved by Equinox Equestrian Center (EEC).

EEC may use my photograph, at its discretion and consistent with its services, in any publication and/or on an Internet or in any other format. I understand that other persons will be free to copy and/or print and/or distribute my photographic image.

I agree to be bound by the rules of the facility and by the dictates of the competition officials. I acknowledge that they retain the right to require my animals and myself to leave the premises for any behavior deemed unsafe or inappropriate. Brief Description of Pleasure Driving Classes

One Pleasure Driving Division Seven Pleasure Driving Classes:

- **Turnout; A Pleasure Driving class in which entries are judged primarily on the performance and quality of each turnout.**
- **Working; A Pleasure Driving class in which entries are judged primarily on the suitability of the horse to provide a pleasant drive.**
- **Reinsmanship; A Pleasure Driving class in which entries are judged primarily on the ability and skill of the driver.**
- **Town and Country; : Obstacles are set at 2.0m for all competitors. At least 30% of the obstacles must not be a pair of cones, but instead an obstacle that could be encountered while out driving through town or country; i.e., mailbox and cones, trash barrel and cone, flagpole and a cone, fence section and cone, bridge, poles set like guardrails, wood piles, artificial animals (these should be set at a distance from a pair of cones to avoid frightening animals).**
- **Your Route/My Route; Your route: After passing through the start markers, the driver drives through all 10 obstacles in the correct sequence and direction. My route: After completing the #10 obstacle, the competitor will continue, without passing through the Start/Finish markers by driving all obstacles a second time in any sequence and in either direction. Time will be taken when passing through the Finish markers in either direction.**
- **Carriage Dog; Judged primarily on suitability of the dog to serve as a companion (maximum one dog per vehicle). To be judged both ways in the arena at a walk, slow trot and working trot.**
- **Costume**
